## ***Introduction***

---

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 94-1 ("CFD No. 94-1") of the Capistrano Unified School District (the "School District").

CFD No. 94-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 94-1 is authorized to levy an annual special tax for purposes of acquiring, constructing, expanding, or rehabilitating facilities, including school facilities, land and related appurtenances necessary to meet increased demands placed on the School District as a result of the development of the community facilities district.

This report is organized into the following sections:

### **Section I**

Section I provides an update of the development activity occurring within CFD No. 94-1. All new building permit activity is identified, including cumulative figures for "Developed Property."

### **Section II**

Section II analyzes the fiscal year 2009-2010 special tax levy and includes a discussion of delinquent special taxes.

### **Section III**

Section III determines the financial obligations of CFD No. 94-1 for fiscal year 2010-2011.

### **Section IV**

Section IV reviews the methodology used to apportion the special tax requirement to Developed Property.

# ***I. Special Tax Classifications and Development Update***

---

## **Special Tax Classifications**

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment of the Special Tax. The Rate and Method of Apportionment defines two categories of property, namely "Developed Property" and "Undeveloped Property." The category of Developed Property is in turn divided into eight separate special tax classifications based on the type of use and size of the structure built thereon. A table of the Developed Property special tax classifications is shown below.

### **Community Facilities District No. 94-1 Developed Property Classifications**

<b>Class</b>	<b>Land Use</b>	<b>Square Footage</b>
1	Single Family Detached	2,400 or more s.f.
2	Single Family Detached	1,700 - 2,399 s.f.
3	Single Family Detached	Less than 1,700 s.f.
4	Townhouse	More than 1,650 s.f.
5	Townhouse	1,650 s.f. and under
6	Condominium	More than 850 s.f.
7	Condominium	850 s.f. and under
8	Apartment	Not Applicable

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued as of March 1 will be classified as Developed Property in the following fiscal year. For example, all property in CFD No. 94-1 for which building permits were issued as of March 1, 2010, will be classified as Developed Property in fiscal year 2010-2011.

## **Development Update**

CFD No. 94-1 encompasses approximately 451 gross acres of land within the County of Orange, California. The CFD is part of the Santa Margarita Master Planned Community, in the south-easterly portion of the County.

Background research was conducted to determine the amount and type of development activity that occurred during the previous fiscal year. Review of the City of Rancho Santa Margarita's building permit records indicated that as of March 1, 2010, no permits for new residential units had been issued.

The table below shows the aggregate amount of Developed Property by special tax classification.

## ***II. Fiscal Year 2009-2010 Special Tax Levy***

---

The special tax levy for CFD No. 94-1 for fiscal year 2009-2010 equaled \$306,845. As of July 12, 2010, \$299,608 in special taxes had been collected by the County. The remaining \$7,237 in special taxes are delinquent, resulting in a delinquency rate of 2.36 percent.

As a participant in the Teeter Program, the School District will receive an apportionment from the County equal to the delinquent unpaid special taxes for fiscal year 2009-2010. This apportionment is anticipated to occur early in fiscal year 2010-2011.

---

### ***III. Fiscal Year 2010-2011 Special Tax Requirement***

---

Pursuant to the Rate and Method of Apportionment, the special tax may be levied in CFD No. 94-1 to: (i) pay administrative expenses, (ii) pay debt service on bonds issued by CFD No. 88-1, (iii) replenish the Reserve Fund associated with such bonds, and (iv) pay for the acquisition, construction, and/or rehabilitation of facilities. For fiscal year 2010-2011 the funds required from CFD No. 94-1 exceed the maximum special taxes that can be collected from Developed Property. Therefore, the special tax requirement is limited to \$312,982, the amount that can be collected through the levy of the maximum special tax. Of this amount, \$212,982 is budgeted for the direct construction of eligible facilities and \$100,000 is budgeted for annual administrative expenses.

---

## ***IV. Method of Apportionment***

---

### **Maximum Special Taxes**

The amount of special taxes that CFD No. 94-1 may levy is strictly limited by the maximum special taxes set forth in the Rate and Method of Apportionment. The initial maximum special taxes for each classification of Developed Property are specified in Table I of Section C of the Rate and Method of Apportionment. These special taxes escalate by two percent each fiscal year.

### **Apportionment of Special Taxes**

The special tax that is apportioned to each parcel of Developed Property is determined through the application of Section D of the Rate and Method of Apportionment. No special tax is levied against Undeveloped Property in CFD No. 94-1.

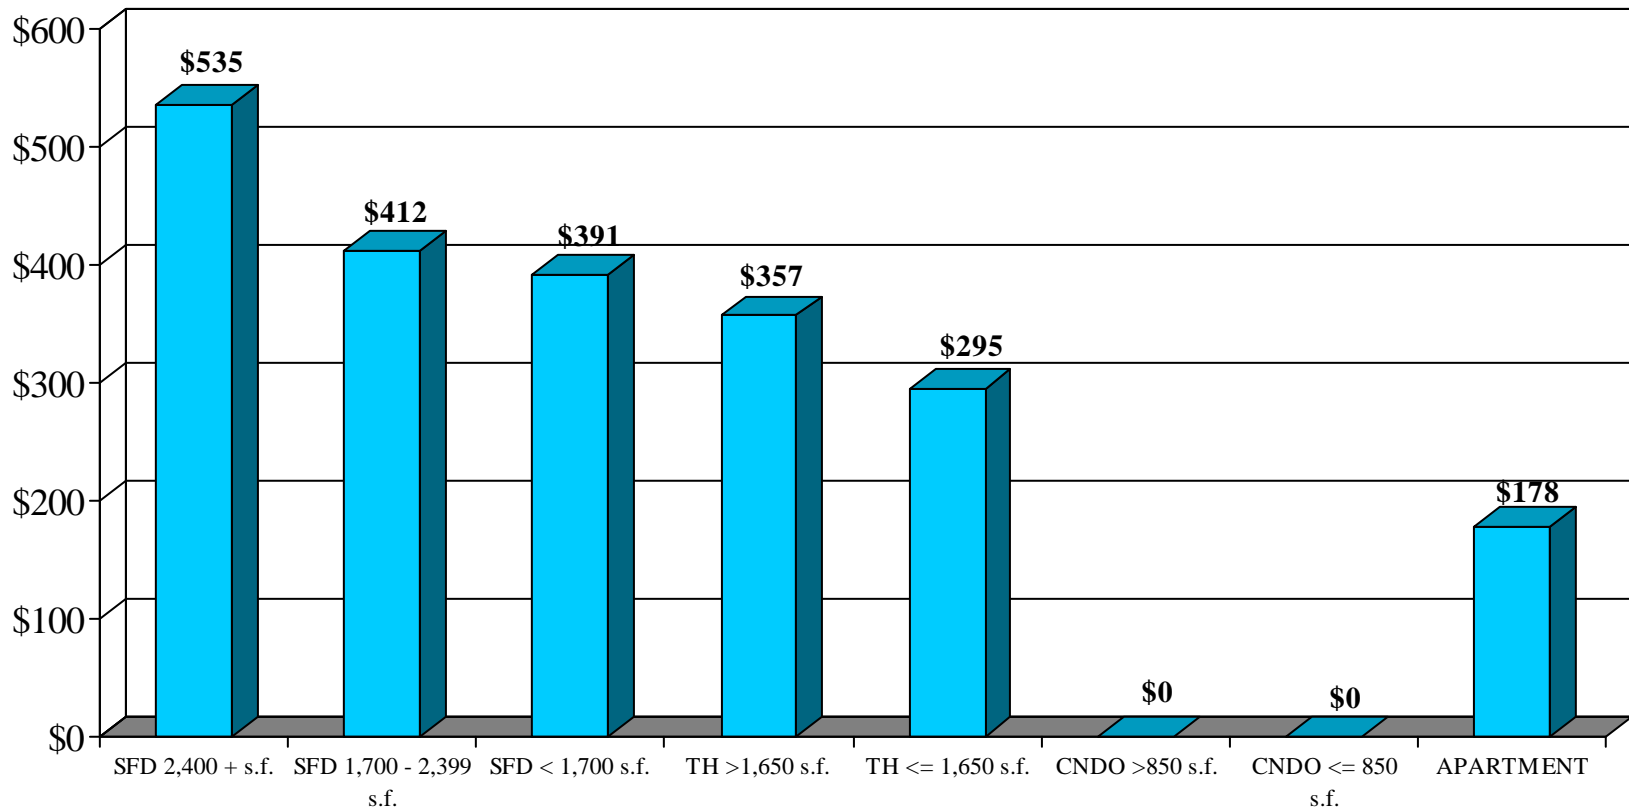

Section D of the Rate and Method of Apportionment states that the special tax shall be levied against each parcel of Developed Property at up to 100 percent of the maximum special tax, until the amount of the levy equals the amount to be collected.

Applying the fiscal year 2010-2011 maximum special tax to all parcels of Developed Property yields \$312,982, which is equal to the fiscal year 2010-2011 special tax requirement.

The fiscal year 2010-2011 special taxes for each classification of Developed Property are shown graphically on the following page and in Exhibit A. The Special Tax Roll which lists the actual special tax levied against each parcel of Developed Property is shown in Exhibit B.
