INSTRUCTIONS FOR PRESENTATIONS TO THE BOARD BY PARENTS AND CITIZENS PRESENT AT THIS MEETING

We are pleased you can be with us at this meeting, and we hope you will return often. Your visit assures us of continuing community interest in our schools.

The members of the Board of Trustees of this District are locally elected state officials, who serve four-year terms of office, and who are responsible for the educational program of our community from grades kindergarten through twelve. They are required to conduct programs of the schools in accordance with the State of California Constitution, the State Education Code, and other laws relating to schools enacted by the Legislature, and policies and procedures which this Board adopts.

The Board is a policy-making body whose actions are guided by the school district's Mission and Goals. Administration of the District is delegated to a professional administrative staff headed by the Superintendent.

The agenda and its extensive background material are studied by each member of the Board for at least two days preceding the meeting. Board Members can call the administrative staff for clarification on any item, and many of the items on the agenda were discussed by the Board during previous meetings. These procedures enable the Board to act more effectively on agenda items than would otherwise be possible.
