

**EDUCATION OF HOMELESS CHILDREN AND YOUTH** (continued)

~~The district shall provide transportation for a homeless student to and from a district school of origin when the student is residing within the district and the parent/guardian requests that such transportation be provided. If the student moves outside of district boundaries but continues to attend this district's school of origin, the Superintendent or designee shall consult with the Superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation.~~

The Superintendent or designee shall coordinate with other agencies and entities, as necessary, to ensure that homeless children and youth are promptly identified, ensure that homeless students have access to and are in reasonable proximity to available education and related support services, and raise the awareness of school personnel and service providers of the effects of short-term stays in a shelter and other challenges associated with homelessness. The Superintendent or designee shall collaborate with local social service agencies, other agencies or entities providing services to homeless children and youth, and, if applicable, transitional housing facilities. In addition, the Superintendent or designee shall coordinate transportation, transfer of school records and other interdistrict activities with other local educational agencies. As necessary, the Superintendent or designee shall coordinate, within the district and with other involved local educational agencies, services for homeless students and services for students with disabilities.
