**BOARD REPORT**

Board Item: Resignations/Retirements/Employment – Certificated Employees

---

**HISTORY**

This is a monthly item. The activity list for employment, separation and additional assignments of certificated employees is a standing item that is presented during each regularly scheduled Board of Trustees meeting.

**BACKGROUND INFORMATION**

In accordance with California Education Code §§ 44830(a), 45102, 44930, 45201 and 45190, employment actions or processes that affect an employee's status or pay during their employment must be approved by the Board of Trustees.

Certificated activity lists may include a variety of "Additional Assignments." These may be instructional assignments outside an employee's normal instructional duties, such as teaching summer school or providing home/hospital instruction, or they may be non-instructional assignments such as professional development. Hourly pay for teachers is \$50 per hour for additional instructional assignments or \$30 per hour for non-instructional assignments. Other certificated employees may have different pay rates or per diem rates. After the assignment is completed, the Payroll Department will receive an employee timesheet, signed by a supervisor, showing the time worked on the assignment. The Payroll Department will determine whether the hours worked were approved and will pay the employee for the hours worked, up to the approved amount. If the employee works fewer than the approved number of hours, he or she is paid only for the number of hours worked. If the assignment cannot be completed within the approved number of hours, a new request must be submitted for the estimated amount of work remaining.

**CURRENT CONSIDERATIONS**

This agenda item presents for Board consideration the approval of the activity list for certificated employees.

**FINANCIAL IMPLICATIONS**

These positions will be charged to the appropriate fund and are included in the adopted budget.

**STAFF RECOMMENDATION**

It is recommended the Board of Trustees approve the activity list for certificated employees.
