

ALTERNATIVE TRANSPORTATION ARRANGEMENTS

Transportation by private carrier may be arranged by the Transportation Department to include, but not limited to, the following situations:

1. out of District special circumstances, i.e.; mountain or overnight trips;
2. when District assets are unavailable; or
3. when the requisitioner specifies type of transportation; e.g., recliner buses.

In accordance with the provisions of Education Code Section 39806, the Governing Board may authorize reimbursement to parents/guardians of actual and necessary costs of transporting students. Payments shall not be made unless it is more economical to make the payments than to provide District transportation for the student(s).
