UNIVERSAL PRECAUTIONS

Pursuant to the Code of regulations, Title 8, Section 5193, as the District has employees who are exposed to bloodborne pathogens, it must enforce universal precautions.

Universal precautions shall be observed throughout the District to protect permanent employees, temporary or substitute employees, volunteers, students and any other persons in the school environment from contact with the potentially infectious blood or other body fluids.

Universal precautions are appropriate for preventing the spread of all infectious diseases and shall be used regardless of whether bloodborne pathogens are known to be present.
