

DRESS AND GROOMING

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Student dress choices should respect the District's intent to sustain a community that is inclusive of a diverse range of identities. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). The school District is responsible for ensuring that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization, shaming, or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, or religion.

Students and parents/guardians shall be informed about dress and grooming standards at the beginning of the school year and whenever these standards are revised. A student who violates these standards may be subject to appropriate disciplinary action.

Gang-Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school discipline plan.

Uniforms

The Board supports school site adoption of voluntary or mandatory requirements for school uniforms in order to promote a healthy, safe, and positive school environment. The principal, staff and parents/guardians at a school may establish a reasonable dress code requiring students to wear uniforms. Such a dress code may be included as part of the school discipline plan.

If a school's plan to require uniforms is adopted, the Superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against or denied attendance to school if their parents/guardians so decide.

The Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms.
