

NOTIFICATIONS REQUIRED BY LAW

The Governing Board recognizes that notifications required by law are a part of the communication essential between the home and the school. The Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights.

The Superintendent or designee shall determine the primary language of each student enrolled in the District. When 15 percent or more of students enrolled in a school speak a single primary language other than English, all notices and reports sent to the parents/guardians of these students shall also be written in the primary language and may be answered by the parent/guardian in either language. (Education Code 48985, 52164, 52164.1)

(cf. 6174 - Education of Students of Limited English Proficiency)

Whenever a teacher learns that a student's parent/guardian is for any reason unable to understand the District's printed notifications, the principal or designee may assist the parent/guardian in establishing other appropriate means of communication.
