

CAPISTRANO UNIFIED SCHOOL DISTRICT
San Juan Capistrano, California

RESOLUTION NO. 2021-20
EMERGENCY DISINFECTANT WIPES PURCHASE

WHEREAS, in preparation for the opening of schools, staff began the process of ordering supplies needed to ensure the safety of students and employees; and

WHEREAS, in the process of ordering supplies, public health guidance and reopening plans and dates have changed; and

WHEREAS, without disinfecting wipes for employees, schools would not be able to follow local and State health guidance, which would have made the reopening of schools impossible; and

WHEREAS, Public Contract Code § 20113 provides that school districts may, with the unanimous approval of the Board of Trustees and approval of the County Superintendent of Schools, contract for the performance of labor and purchase of materials without advertising for or inviting bids in an emergency when such work is necessary to permit the continuance of existing school classes or to avoid danger to life and property;

THEREFORE BE IT HEREBY RESOLVED that the Board of Trustees of the Capistrano Unified School District has determined that these circumstances constitute an emergency condition and request approval from the County Superintendent of Schools to enter into contract for purchase of disinfectant wipes without advertising or inviting bids pursuant to Public Contract Code § 20113.
