

**CAPISTRANO UNIFIED SCHOOL DISTRICT**  
San Juan Capistrano, California

**RESOLUTION NO. 2021-07**  
**EMERGENCY PLASTIC BARRIER PURCHASE**

*WHEREAS*, in preparation for the opening of schools, staff began the process of ordering supplies needed to ensure the safety of students and employees; and

*WHEREAS*, in the process of ordering supplies, staff used estimates of what materials would be needed to reopen schools; and

*WHEREAS*, by early July 2020, when a school reopening plan had been developed the number of plastic barriers or ‘sneeze guards’ needed was anticipated to be greater than anticipated based upon teaching methods; and

*WHEREAS*, without plastic barriers to keep students and employees safe, schools would not be able to follow local and State health guidance, which would have made the reopening of schools impossible; and

*WHEREAS*, Public Contract Code § 20113 provides that school districts may, with the unanimous approval of the Board of Trustees and approval of the County Superintendent of Schools, contract for the performance of labor and purchase of materials without advertising for or inviting bids in an emergency when such work is necessary to permit the continuance of existing school classes or to avoid danger to life and property;

*THEREFORE BE IT HEREBY RESOLVED* that the Board of Trustees of the Capistrano Unified School District has determined that these circumstances constitute an emergency condition and request approval from the County Superintendent of Schools to enter into contract for purchase of plastic barriers without advertising or inviting bids pursuant to Public Contract Code § 20113.
