The Smarter Balanced Interim Assessments are designed for grades three through eight and high school, but may be administered to students in all grades. The tables below identify the total number of items on each Interim Comprehensive Assessment (ICA), Interim Assessment Block (IAB), and focused IAB for English language arts/literacy (ELA) and mathematics. In addition, the tables provide the number of items on each assessment that require local hand scoring. Unless otherwise noted, all hand-scored items are short answer responses. For more information, visit the California Department of Education Interim Assessments web page at <https://www.cde.ca.gov/ta/tg/sa/sbacinterimassess.asp>.
