The names and addresses of pupils enrolled in grade 12 or who have terminated enrollment prior to graduation may be provided to a private school or college. No directory information regarding your child may be released if you notify the District that the information shall not be released. Please submit a written notice to the Principal of your child’s school if you wish to deny access to directory information concerning your child. Release of directory information of a homeless child or youth is prohibited unless a parent or eligible pupil has given written consent that such information may be released. **Directory information does not include citizenship status, immigration status, place of birth, or any other information indicating national origin (except where the Capistrano Unified School District receives consent as required under state law). The deadline in which the parent, guardian, or student must notify the school in writing that they do not want the information designated as directory information is anytime throughout the year, as the Student Information System portal can be updated as necessary.**
