THE POWER TO  
**INNOVATE**

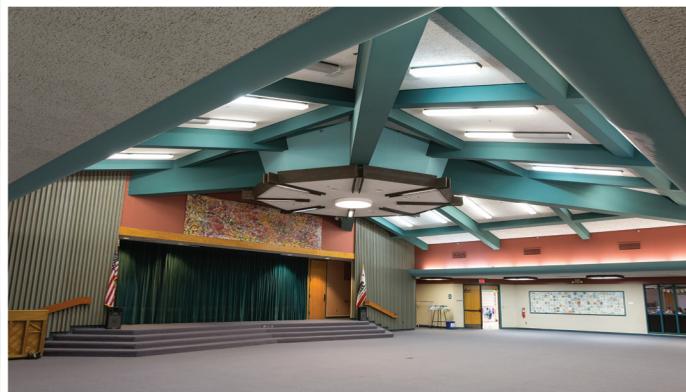

ACADEMY OF INNOVATION

**#CAPOFORWARD**

We're one of just a few schools in the district selected to accelerate learning through an emphasis of technology and collaborative teaching practices.

Using project-based learning, the proven principles of STEAM, and our proprietary Innovation Labs, we're preparing students to walk confidently into a fast-changing world.

## HIGHLIGHTS

Two impressive hands-on scientific "Innovation Labs"

"Engineering Bootcamp" that teaches core problem-solving principles

Parent-run art program (CRE8) and dedicated art studio

Creative performances held for the students throughout the year

## OUTCOMES AND GOALS

- Infusion of creativity as an integral part of each student's problem solving
- Experience managing a variety of technological tools to solve science, math, engineering, and art problems
- Experience developing and presenting advanced multimedia projects
