#CAPOFORWARD

We're one of just a few schools in the district selected to accelerate learning through an emphasis of technology and collaborative teaching practices.

Our flexible learning environments, integrated technology, and progressive real-world problem solving empowers our students to become *super* scholars.

HIGHLIGHTS

Significant increase in test scores in English language arts and Math

Flexible classroom arrangements that empower choice and improve student participation

A dedicated Google-inspired "Scholar Power Hour" encouraging students to pursue passion projects that solve real-world problems

iPads for kindergarten and first grade

Chromebooks for all students in grades 2-5

OUTCOMES AND GOALS

- **A fully developed app and website from each 5th grader**

- **Clear understanding of the fundamentals of computer programming/coding**

- **Experience developing and presenting advanced multimedia projects**

- **A comprehensive personal digital portfolio (Google drive) that scholars take with them to middle school**
