ELEVATING OUTCOMES

ACADEMY OF ARTS
AND COMMUNICATION

#CAPOFORWARD

We're one of just a few schools in the district selected to accelerate learning through an emphasis of technology and collaborative teaching practices.

Inspiring future leaders through a curriculum infused with arts and multimedia, consistently promoting creativity and problem-solving across all disciplines.

HIGHLIGHTS

Students build confidence and character by actively engaging in multimedia and the arts

The pursuit of student knowledge is nurtured through creativity and problem-solving

Inquiry-based learning principles incorporated to build and present media portfolios

Student-led Wood Canyon news and radio show airing weekly

iPads for students in grades 1-5

OUTCOMES AND GOALS

- Student performances given at each grade level
- Leadership speeches delivered by 5th grade students
- Ability to manage and utilize technology to solve problems in the areas of science, math, engineering and art
- Leverage the power of creativity as an integral part of problem-solving
- A personal Google Drive (digital portfolio) of video, TV and radio broadcasts, storytelling and visual arts
