

Carl Hankey Elementary School

2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Carl Hankey Elementary School
Street	27252 Nubles St.
City, State, Zip	Mission Viejo, CA, 92692
Phone Number	(949) 234-5315
Principal	Dana Aguilera
Email Address	deaguilera@capousd.org
School Website	
County-District-School (CDS) Code	30-66464-6098495

2022-23 District Contact Information

District Name	Capistrano Unified School District
Phone Number	(949) 234-9200
Superintendent	Kirsten Vital
Email Address	superintendent@capousd.org
District Website Address	www.capousd.org

2022-23 School Overview

School Vision:

At Carl Hankey K-8 Academy we strive to build character and create productive citizens by inspiring and engaging our students in the joys and challenges of learning.

School Mission:

Our mission is to ensure that each student will learn grade-level content and achieve high levels of learning.

Our Mission Is Learning

There are many things that make Carl Hankey TK-8 school so special. Hankey is known for its warm, neighborhood atmosphere, its deeply rooted sense of community and its configuration as a K-8 school, which provides parents with an alternative to the traditional elementary K-5 to middle school 6-8 matriculation pathway. There is another thing, however, which sets our school apart, distinguishing it as a unique educational setting. We are proud to be the ONLY public International Baccalaureate (IB) World School in Orange County offering both the Primary and Middle Year IB programs, which fuse together California State Standards, CUSD's District Initiatives, and IB World's rigorous program mandates, woven into a rich instructional tapestry.

What is different about an IB school? At Hankey we strive to develop inquiring, knowledgeable and caring youth who help create a better and more peaceful world through intercultural understanding and respect. Our curriculum embraces an inquiry-based instructional program promoting critical thinking and problem solving. Traditional subjects such as math, science, history, languages, literature, and the arts are integrated and intertwined, rather than compartmentalized neatly into prescribed time slots. For example, rather than learning about math, then closing the text book and completing an art project, IB students learn mathematic principles through creative art assignments. Or, they might solve a social problem using the scientific method. Wherever possible, Hankey's teachers strive to make connections that deepen student understanding and push students to ask "Why?" and "How?"

Students in our The Primary Year Program (PYP- TK-5th grade) embark on a yearlong academic journey framed by six transdisciplinary themes: Who we Are, Where we Are in Place and Time, How we Express Ourselves, How the World Works, How we Organize Ourselves, and Sharing the Planet. Each theme takes 5-6 weeks to cover and concludes with a

2022-23 School Overview

performance-based assessment project that allows students to demonstrate what they have learned about their world through that particular theme.

Additional enrichment activities integrated into the PYP curriculum including weekly Language B (Spanish) instruction, an intensive Art Masters program tied to the transdisciplinary themes, Primary Music for grades K-3; and 80 minutes per week of instrumental and choral music for grades 4-5.

Hankey's staff maintains a collective belief that all students must learn essential English Language Arts and Mathematics Standards to excel. We use a variety of instructional strategies to intertwine our school's Priority Standards in ELA and math, aligned from Kindergarten through 8th Grade, with higher-level thinking and problem-solving skills to ensure that all learners can attain the rigorous thinking demanded by our interdisciplinary IB curriculum. Students who struggle are supported with intervention, while students who are ready to accelerate and move beyond are provided with opportunities to extend their thinking.

Carl Hankey provides a disciplined, safe and nurturing student environment through its positive behavior system featuring the IB Learner Profiles, which celebrate the attributes of a successful scholar and form the foundation of our Essential Agreements, agreed upon norms for student behavior. Students who observe our Essential Agreements earn Hawk Pride tickets which can be redeemed during the weekly blacktop assembly. Fourth and fifth graders have the opportunity to take action through our lunchtime service group Hankey Action taking Wonder Kids Squad (HAWKS). Families take part in recycling to fill our school bin and earn money for IB, our school recycling program. Assemblies and field trips are other programs that further support the development of the whole child and offer an impressively extensive educational program.

Hankey K-8 is a small neighborhood school with a huge heart and tremendous spirit. We are proud of our accomplishments; implementing the IB program, being named a California Department of Education Distinguished School, a California Gold Ribbon School, and a California Business for Education Excellence (CBEE) Star School, all of which create a small school, making a big difference.

For additional information about our school, please visit www.chhawks.schoolloop.com. Follow us On: [Twitter](#)|[Instagram](#)|[Facebook](#)

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	37
Grade 1	51
Grade 2	46
Grade 3	55
Grade 4	57
Grade 5	61
Total Enrollment	307

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	47.6
Male	52.1
American Indian or Alaska Native	0.7
Asian	3.3
Black or African American	1.0
Filipino	4.9
Hispanic or Latino	44.6
Native Hawaiian or Pacific Islander	0.3
Two or More Races	6.8
White	35.2
English Learners	18.9
Foster Youth	0.0
Homeless	11.4
Migrant	0.0
Socioeconomically Disadvantaged	39.1
Students with Disabilities	11.4

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	15.40	100.00	1860.30	90.58	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	3.60	0.18	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	30.90	1.51	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	28.00	1.36	12115.80	4.41
Unknown	0.00	0.00	130.80	6.37	18854.30	6.86
Total Teaching Positions	15.40	100.00	2053.70	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	15.50	96.15	2142.70	90.61	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	7.80	0.33	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	53.40	2.26	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	28.70	1.22	11953.10	4.28
Unknown	0.60	3.85	132.00	5.58	15831.90	5.67
Total Teaching Positions	16.10	100.00	2364.80	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	0.00
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	0.00

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Capistrano USD are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the State's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the District's Board of Trustees. On September 15, 2021, the Capistrano USD's Board of Trustees adopted Resolution 2122-15 which certifies as required by Education Code 60119 that for the 2021-2022 school year, the Capistrano USD has provided sufficient textbooks or instructional materials, or both that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

Year and month in which the data were collected

September 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
---------	--	-----------------------------	--

Reading/Language Arts	Year Adopted 2017- McGraw Hill Wonders (K-3) ; Benchmark Education Company, Benchmark Advance (4-5)	Yes	0%
Mathematics	Year Adopted 2015 - Houghton Mifflin, Math Expressions	Yes	0%
Science	Year Adopted 2019 - Delta Education FOSS Science	Yes	0%
History-Social Science	Year Adopted 2022- Studies Weekly	Yes	0%

School Facility Conditions and Planned Improvements

Carl Hankey K-8 School has 32 classrooms, a multipurpose room, library, 1 computer lab, a CTE lab for middle schoolers, an Innovation Lab for elementary students and an administration building. The main campus (14 classrooms) was built in 1978 and augmented with portable classrooms to accommodate our growing community. A middle school side of the campus was added beginning in 2007 and completed in 2009.

Over the past two years, the school has had new air conditioning units replaced on both the elementary and middle school sides and we have improved the internet wiring throughout the school. Last year we added a Mindfulness Garden for students and staff member to utilize as an additional learning location, and we recently installed 6 strategically placed video cameras to increase campus security. The stage curtains in the MPR were also recently renovated.

The district maintenance staff ensures that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure services and emergency repairs are given high priority. The custodial staff has developed a cleaning schedule to ensure a clean school campus.

Year and month of the most recent FIT report

8/4/2021

School Facility Conditions and Planned Improvements

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned

	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	59	N/A	68	N/A	47
Mathematics (grades 3-8 and 11)	N/A	61	N/A	55	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	177	174	98.31	1.69	58.62
Female	83	82	98.80	1.20	64.63

Students with Disabilities	25	24	96.00	4.00	25.00

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	97.0%	97.0%	97.0%	97.0%	97.0%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Hankey hosts a PTSA (Parent Teacher STUDENT Association). Our very supportive PTSA provides essential financial and human resources that enrich all student learning (field trips, the Art Masters program, and teacher supplies.)

A second parent group, the ELAC committee, meets to address the concerns and needs of our English Language Learners (ELAC committee members are often a part of the PTSA). In the Spring 2022, Hankey will be offering PIQE, a weekly parent workshop focused on supporting non-English speaking parents with strategies for negotiating the educational system and helping their students at home,

Hankey is also extremely lucky to be supported by our school based foundation-Carl Hankey International Education Foundation (CHIEF). Lead by the CHIEF board, this parent group is tasked with funding the school's International Baccalaureate Program. All members of the Hankey parent community are invited to support CHIEF through direct donations, volunteering at the CHIEF sponsored events, or heading the various committees working under the CHIEF umbrella. For more information about CHIEF, please visit their website: <http://carlhankeyfoundation.org/> or the CHIEF Facebook: <http://www.facebook.com/pages/Carl-Hankey-International-Education-Foundation/155830894450072>

2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	322	319	57	17.9
Female	152	150	28	18.7
Male	169	168	28	16.7
American Indian or Alaska Native	2	2	2	100.0
Asian	11	11	1	9.1
Black or African American	4	4	0	0.0
Filipino	15	15	2	13.3
Hispanic or Latino	141	139	31	22.3
Native Hawaiian or Pacific Islander	1	1	0	0.0

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	1.28	2.45
Expulsions	0.00	0.04	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	0.00	0.49	1.96	0.20	3.17
Expulsions	0.00	0.00	0.01	0.02	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	0.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2022-23 School Safety Plan

Each Capistrano Unified school site submits an annual School Safety Plan, which includes a comprehensive disaster preparedness plan, District policies, procedures and meets the expectations outlined in California Education Code sections 32280–32289. Copies are available to read at each school office. The Safety Plan is updated annually, and reviewed by the Executive Director, Safety and Student Services. Although the School Safety Plan is required to be reviewed and updated annually no later than March 1, every year per Ed. Code, District Sites were required to submit their plans by October 17, 2022. Each School Site has met with the School Site Council to review and update this plan and adopted the plan.

Aerial pictures and floor plans of each school site are loaded on all local police unit computers. Fire drills are held monthly in elementary schools, four times per year in middle and two times a year in high school. Drop, cover and hold drills are held each semester in middle and high school and quarterly for elementary. Lockdown drills are held twice a year and a disaster drill is held once a year throughout the District. The District also participates in multi-agency response drills, working with law enforcement, fire and other responding agencies.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	27		2	
1	30		2	
2	32		2	
3	42		1	1
4	27		2	
5	30		2	
6				

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	17	1	1	
1	17	1	1	
2	12	3	2	
3	14	2	2	
4	11	3	2	
5	17	1	2	
6				
Other	28		1	

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	19	2		
1	26		2	
2	23		2	
3	18	3		
4	29		2	
5	31		2	
6				

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	307

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	0.2
Social Worker	
Speech/Language/Hearing Specialist	0.3
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11,738	\$4,294	\$7,444	\$88,988
District	N/A	N/A	\$6,737	\$92,359
Percent Difference - School Site and District	N/A	N/A	10.0	-3.7
State	N/A	N/A	\$6,594	\$85,368
Percent Difference - School Site and State	N/A	N/A	12.1	4.2

2021-22 Types of Services Funded

Each district school provides some supplemental services to assist students:

- in reaching academic proficiency
- in mastering grade level content standards and
- to successfully graduate from high school.

Services vary by school and may include:

- Supplemental instructional materials and books in mathematics, reading/language arts, science and social science
- Programs for English Learners
- Extended Day/Year/Summer School
- Intervention Programs
- Enrichment Programs
- Technology
- AVID Programs
- Parent Education/Family Nights
- Tutoring
- Translation for Home-School Communication
- Counseling (Social, Emotional, and College and Career)
- Special Education

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$55,047	\$51,081
Mid-Range Teacher Salary	\$78,775	\$77,514
Highest Teacher Salary	\$110,260	\$105,764
Average Principal Salary (Elementary)	\$149,940	\$133,421
Average Principal Salary (Middle)	\$161,159	\$138,594
Average Principal Salary (High)	\$172,920	\$153,392
Superintendent Salary	\$343,493	\$298,377
Percent of Budget for Teacher Salaries	35%	32%
Percent of Budget for Administrative Salaries	5%	5%

Professional Development

Capistrano Unified School District places great value on the role of professional learning, and utilizes systems-wide structures and strategies to promote continuous learning of adults that result in increased learning for students. The ongoing focus for professional learning is to support the district's Wildly Important Goal for Teaching and Learning and its goals around Cultural Proficiency and Social Emotional Learning. It is the district goal to engage students in meaningful, challenging, and innovative educational experiences to increase post-secondary options for all students.

It is the goal of Capistrano Unified School District to ensure all students receive Great First Instruction (GFI). The vision for GFI is that all learning environments include Lesson Preparation, Interaction, Strategies, and Review and Assessment as defined by the Sheltered Instruction Observation Protocol (SIOP). By design, the model for providing professional learning is multi-tiered, and ranges from large-scale, district-wide learning opportunities focused on priority areas to site-specific, embedded professional learning (including coaching) that supports teachers in the transfer of that learning to the classroom. Our Multi-Tiered System of Supports (MTSS) Theory of Action includes MTSS Specialists or PLC Coaches at each school site, Systematic Interventions for students who are not meeting the standards, and a myriad of Social-Emotional learning opportunities for staff. Our professional learning "academies" provide supplemental training during the summer and after school hours to further support district initiatives and teacher needs for ongoing professional learning. The outcome of all CUSD professional learning is to improve educator effectiveness in order to increase student learning. In support of this outcome, administrators also participate in professional learning to increase their knowledge of quality practices, California Content Standards, and strategies for instructional leadership.

Since 2004, all schools provide specific release time for embedded professional learning using late start or early release days. In grades K-8, this time is known as ACE time (Articulation and Collaboration for Excellence). In 2021, we increased the amount of collaboration time elementary teachers received by adding two forty-minute blocks per week. Secondary schools aligned their late start days to be on Mondays for additional collaboration opportunities across the district. The purpose of this time is for educators to examine the impact of their practice on student learning, with a focus on continuous improvement. Schools work to identify key areas of learning based on an analysis of student data, upon which they place their focus for professional learning and set annual measurable goals based upon those identified areas of need. These areas are determined through the analysis of student learning data from multiple sources, including, but not limited to Common Formative Assessments (CFA's) and high stakes testing. The action plan developed to accomplish these goals outlines priorities for teacher training and implementation.

Throughout the year, the structure of collaboration typically involves teacher teams engaging in ongoing examination of standards-based curriculum, the examination of meaningful formative and summative assessment data, and powerful teaching strategies that get results in student learning. In 2017 the District developed the CUSD Professional Learning Communities Framework as its guiding document for professional collaboration. All collaborative teams utilize Common Goals, Relational Trust, Focus on Learning, Shared Responsibility, Action-Oriented, Data Driven, and Systems and Structures for Support to ensure all students are learning at high levels. These embedded professional learning activities help prepare teams to provide a differentiated instructional program that meets the needs of all students and focuses on equity and the social emotional needs of our students and staff.

Beginning teachers receive systematic training and support during their first two years of teaching within the CUSD Induction Program. This program assists new teachers as they build upon the skills they already possess upon entering the field of teaching, and provides them with support from a veteran teacher. The program is approved by the California State Commission on Teacher Credentialing and meets the requirements necessary to "clear" teaching credentials. In addition to those activities previously described, all teachers may receive support, assistance, and opportunities to grow professionally through their participation in school site learning teams, student study teams, from district resource teachers, and the Peer Assistance and Review Program.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3
