

Positive Parenting through Communication

Presented by

Behavioral Health Training Collaborative (BHTC)

Training Details

This training is designed to provide participants with an overview of positive parenting discipline strategies that focuses on relationship-building and effective communication with their children.

Participants will learn:

1. Ways of building a relationship with your child
2. Techniques to address challenging behavior
3. The importance of creating rules & setting boundaries based on your values
4. The importance of positive communication with your child

Thursday, March 23, 2023

10:00 - 11:00 a.m.

Join us on Zoom:
