Our History

Family Assistance Ministries (FAM) was founded in 1999 to serve those in need.

Our first client needed rental assistance to avoid eviction. Within 30 days this person was employed, becoming a self-sufficient and a productive member of our community.

Now, FAM is providing temporary assistance to thousands of people a month utilizing funds, goods and services donated by many caring people, churches, and organizations.

As a 501(c)3 nonprofit organization, all funds raised are used to fulfill our mission in south Orange County.
