FREQUENTLY ASKED QUESTIONS (FAQ) ABOUT IEPs DURING DISTANCE LEARNING

Dear CUSD Parents and Guardians,

Thank you for your patience during our transition to Distance Learning. We have resumed holding our regular IEP meetings. Please find information below to support your participation in IEP meetings during Distance Learning. *If you need additional information, please contact your child's case carrier or your site administrator.*

What is Distance Learning during Closure in regards to my child's IEP services?

During Distance Learning, the District will make available specialized distance learning services, which are temporary services until regular instruction at school sites resume. When both statewide and county shelter-in-place orders are rescinded and regular instruction at school sites resume, the services reflected in the IEP's service grid will again be made available at your child's school. We appreciate your partnership during these challenging times.
