Project Title: Planning Area 3 K-8 School Project Within the Rancho Mission Viejo Development

Project Applicant: Capistrano Unified School District

Project Location (include county): Rancho Mission Viejo, County of Orange

Project Description: Capistrano Unified School District (District) has approved construction of a kindergarten through eighth grade (K-8) school on a minimum 14-acre parcel located in Planning Area 3 (Subarea 3.3) between Coyotes and Pablo Way, north of Saddle Way (Project). Access to the site would be off of Coyotes, a local collector street. A proposed six-acre park site is located immediately north of the Project site and would be available for joint school and community uses. A conceptual site development plan has been developed for the school. The school campus would have nine buildings, each accommodating multiple classrooms and offices. The school is designed for 1,600 kindergarten through 8th grade students in permanent and relocatable facilities, along with an administration staff. Support facilities would include kitchen and multipurpose facilities, lunch shelters, hardcourts and playgrounds, a soccer field, and multiple parking lots. Approximately 60 staff would serve the Project site. The Project also includes shared/joint-use sports fields (soccer and baseball), a multipurpose building, and parking lot. The shared use sports fields would be owned and maintained by the RMV-Master Maintenance Corporation (Homeowners Association).

CEQA: On November 8, 2004, the County of Orange (County) certified Final Environmental Impact Report No. 589 (SCH No. 2003021141) (County Final EIR) for The Ranch Plan General Plan Amendment and Zone Change, which included the Project site and the construction of a proposed school in Planning Area 3. The County also adopted Addendum 3.1 to the County Final EIR, prepared for the Planning Areas 3 and 4 Master Area Plans and Subarea Plans. The District is the lead agency under CEQA for the Project. The Project is a subsequent activity under the County Final EIR under State CEQA Guidelines (Cal. Code Regs., tit. 14, § 15000 et seq.) (CEQA Guidelines) section 15168. Pursuant to CEQA Guidelines section 15164(a), a lead agency must prepare an addendum to a previously certified EIR if some changes or additions are necessary to the certified EIR but none of the conditions described in CEQA Guidelines section 15162 calling for preparation of a subsequent EIR have occurred. An Addendum to the County Final EIR (Addendum) was prepared under CEQA Guidelines section 15164 covering the details of the Project.

Some changes or additions in the County Final EIR were necessary for consideration of the Project, but the District determined that none of the conditions described in CEQA Guidelines section 15162 calling for preparation of a subsequent EIR have occurred and pursuant to CEQA Guidelines section 15164(e) the Addendum provides a brief explanation, supported by substantial evidence, of the decision not to prepare a subsequent EIR pursuant to CEQA Guidelines section 15162. The Addendum was prepared in compliance with CEQA and reflects the District's Board of Trustees' independent judgment and analysis. The District's Board of Trustees adopted the Addendum for the Project.

This is to advise that the Capistrano Unified School District has approved the above  
( Lead Agency or ( Responsible Agency)

described project on April 20, 2022 and has made the following determinations regarding the above  
(date)  
described project:

1. A previously certified Environmental Impact Report, including an addendum thereto, **was** prepared and covers the Project pursuant to the provisions of CEQA
2. The Project **will not** have a significant effect on the environment beyond those impacts previously identified in connection with the County Final EIR, including Addendum 3.1 thereto.
3. Mitigation measures beyond that adopted in connection with the County Final EIR **were not** adopted for the Project.
4. A Mitigation Monitoring and Reporting Program beyond that adopted in connection with the County Final EIR **was not** adopted for the Project.
5. A Statement of Overriding Considerations beyond that adopted in connection with the County Final EIR **was not** adopted for the Project.
6. Findings **were** made pursuant to the provisions of CEQA.

This is to certify that the record of project approval is available to the general public at: Capistrano Unified School District, 33122 Valle Road, San Juan Capistrano, California 92675
