

As you are aware, the California Department of Public Health is now requiring all school employees in California to be fully vaccinated against COVID-19 or undergo regular COVID-19 testing (weekly). The instructions on how to register are below. **If you are already registered with Color, there is no need to re-register.**

Register with COLOR Labs by clicking the link below. Once you create an account with COLOR, you will not have to do this step again

<https://home.color.com/covid/sign-up/start?partner=cdph037>

You may also register with Color Labs by taking a picture of the bar code attached.

You do not need to supply insurance information when prompted. Testing is being funded by the State of California and is **Free** to all employees.

****If you are having trouble registering on the Color platform, you may contact the Color Support Team at 844-531-0545.**

If you choose not to test with Mobile Med/Color Labs at your site, you will need to following the below instructions.

Another options for CUSD Employees are:

- Your primary care physician.
- XpressUrgent Care Clinics. They are **not contracted with all insurances** so employees should check their website at xurgentcare.com.
- There is free testing through lhi.care or call 1-888-634-1123.
 - You will register, get an ID number, schedule an appointment (not sure of the locations as they do change) and they will bill your insurance company.
- Orange County Super Sites <https://occcovid19.ochealthinfo.com/supersite>

- Another option for employees and is now available for all OC residents only is: <https://ocCOVID19.ochealthinfo.com/covid-19-testing>

There isn't a fee for the test. Your insurance may be billed.

This program and test kits are made available at no out-of-pocket cost as part of the initiative to combat COVID-19 spread by the County of Orange.

There are 360 Testing Kiosks that are located in different cities across the County will remain open until December.

- People can call the Call Center to order a COVID-19 Test Kit. **LHA Call Center (714) 805- 7838**
- Community Clinics will still be offering COVID-19 Testing Services.
