<sup>1</sup>By referral only.

<sup>2</sup>If you reasonably believe you have an emergency medical condition, which is a medical or psychiatric condition that requires immediate medical attention to prevent serious jeopardy to your health, call **911** or go to the nearest Emergency Department. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage*.

<sup>3</sup>If you are sick or injured, you may have an urgent care need. An urgent care need is one that requires prompt medical attention but is not an emergency medical condition.

<sup>4</sup>Urgent care/after-hours care available.
