

Other options for CUSD Employees are:

- Your primary care physician.
- XpressUrgent Care Clinics. They are not contracted with all insurances so employees should check their website at xurgentcare.com.
- There is free testing through lhi.care or call 1-888-634-1123.
 - You will register, get an ID number , schedule an appointment (not sure the locations as they do change) and they will bill your insurance company.
- Orange County Super Sites <https://occovid19.ochealthinfo.com/supersite>
- Another option for employees and is now available for all OC residents only is: <https://occovid19.ochealthinfo.com/covid-19-testing>
There isn't a fee for the test. Your insurance may be billed.
This program and test kits are made available at no out-of-pocket cost as part of the initiative to combat COVID-19 spread by the County of Orange.

There are 360 Testing Kiosks that are located in different cities across the County will remain open until December.

- People can call the Call Center to order a COVID-19 Test Kit. **LHA Call Center (714) 805- 7838**
- Community Clinics will still be offering COVID-19 Testing Services.
