PURCHASING AUTHORITY DOLLAR THRESHOLD

Order limits for the purchase of goods and/or services is determined by the individual agency purchasing authority threshold.

No CMAS order may be executed by a State agency that exceeds that agency's purchasing authority threshold. State agencies with approved purchasing authority, along with their dollar thresholds can be obtained at the List of State Departments with Approved Purchasing Authority website (www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/List-of-State-Departments-with-Approved-Purchasing-Authority).

HOW TO USE CMAS

Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using CMAS. The requirements for the following bullets are in the SCM, Volume 2, Chapter 6 (for non-IT), the SCM, Volume 3, Chapter 6 (for IT), and the SCM, Volume FISCAL, Chapter 5 (FISCAL):

- Develop a Request for Offer, which includes a Scope of Work (SOW), and Bidder Declaration form. For information on the Bidder Declaration requirements, see the SCM, Volume 2, Section 3.5.7 and Volume 3, Section 3.4.7.
- Search for potential CMAS contractors on the CMAS website (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) and select "Find a CMAS Contractor."

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

- Solicit offers from a minimum of 3 CMAS contractors including one small business and/or DVBE, if available, who are authorized to sell the products and/or services needed.
- If soliciting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Standard 843) in the Request for Offer. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See the SCM Volumes 2, 3, and FISCAL, Chapter 3).
- This is not a bid transaction, so the small business preference, DVBE incentives, protest language, intents to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers solicited did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected CMAS contractor.
- For CMAS transactions under \$10,000, only one offer is required if the State agency can establish and document that the price is fair and reasonable. The fair and reasonable method can only be used for non-customizable purchases.

Local governments set their own order limits, and are not bound by the order limits on the cover page of this CMAS.

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders, per Public Contract Code (PCC) § 10329.

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited, per State Administrative Manual (SAM) § 4819.34.

MINIMUM ORDER LIMITATION

There is no minimum dollar value limitation on orders placed under this CMAS.

ORDERING PROCEDURES

1. Purchase Orders

All Ordering Agency purchase order documents executed under this CMAS must contain the applicable CMAS number as show on page 1.

1. State Departments:

Standard 65 Purchase Documents – State departments not transacting in FI\$Cal must use the Purchasing Authority Purchase Order (Standard 65) for purchase execution. An electronic version of the Standard 65 is available at the DGS-PD website (www.dgsapps.dgs.ca.gov/osp/Statewid eFormsWeb/Forms.aspx), select Standard STD Forms.

FISCAL Purchase Documents – State departments transacting in FISCAL will follow the FISCAL procurement and contracting procedures.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

2. Local Governmental Departments:

Local governmental agencies may use their own purchase document for purchase execution.

The agency is required to complete and distribute the purchase order. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services being provided. The cost for each line item should be included in the order, not just system totals.

The contractor must immediately reject purchase orders that are not accurate. Discrepancies are to be negotiated and incorporated into the purchase order prior to the products and services being delivered.

2. Service and Delivery after CMAS Expiration

The purchase order must be issued before the CMAS expires. However, delivery of the products or completion of the services may be after the CMAS expires (unless otherwise specifically stated in the purchase order).

3. Multiple CMAS Agreements on a Single Purchase Order

Agencies wishing to include multiple CMAS(s) on a single FISCAL purchase order must adhere to the following guidelines:

- All CMAS must be for the same CMAS contractor.
- The purchase order must go to one contractor location.

- Write the word “CMAS” in the space usually reserved for the contract number. On Standard 65’s, this is at the top of the form. The word “CMAS” signifies that the purchase order contains items from multiple CMAS agreements. The purchasing agency may only use one bill code.
- For each individual CMAS (as differentiated by alpha suffix), the agency must identify and group together the CMAS number with the line items and subtotal per CMAS number (do not include tax in the subtotal), and sequentially identify each individual CMAS as Sub #1, Sub #2, Sub #3, etc. This facilitates accurate billing of administrative fees by the Procurement Division.
- The total of all items on the purchase order must not exceed the purchase order limit identified in the CMAS.
- Do not combine items from both non-IT and Information Technology CMAS(s). A non-IT CMAS begin with the number “4” and an Information Technology CMAS begins with the number “3.” The purchase order limits are different for these two types of CMAS agreements.

4. Amendments to Agency's Purchase Orders

Agency purchase orders cannot be amended if the CMAS has expired.

The SCM, Volumes 2 & 3, Chapter 6.A5.0 and SCM, Volume FISCAL, Chapter 5.A4.0 provides the following direction regarding amendments to all types of CMAS purchase orders:

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless an NCB is approved for those amendments.

Amendments unique to non-IT services are covered in the SCM, Volume 2, Chapter 6.B2.9 and SCM, Volume FISCAL, Chapter 5.A4.1 as follows:

If the original contract permitted amendments, but did not specify the changes (e.g., quantity or time), it may be amended, per Public Contract Code (PCC) § 10335 (d)(1). This only applies to the first amendment. The time shall not exceed one year, or add not more than 30% of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the NCB process must be followed.

Also, see the SCM, Volumes 2 & 3, Chapter 8, Topic 6, for more information on amending purchase orders.

CMAS CONTRACTOR OWNERSHIP INFORMATION

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the CMAS program, State agencies shall whenever practicable first consider offers from small businesses that have established CMAS [Government Code (GC) § 14846(b)]. NOTE: The Department of General Services auditors will request substantiation of compliance with this requirement when agency files are reviewed.

See the current fees in the DGS Price Book at: www.dgs.ca.gov/OFS/Price-Book.

SMALL BUSINESS/DVBE - TRACKING

State agencies are able to claim subcontracting dollars towards their small business or DVBE goals whenever the CMAS contractor subcontracts a commercially useful function to a certified small business or DVBE. The CMAS contractor will provide the ordering agency with the name of the small business or DVBE used and the dollar amount the ordering agency can apply towards its small business or DVBE goal.

TRADE-IN EQUIPMENT

Trade-ins at open market price may be considered. The product description and trade-in allowance must be identified on the purchase order.

Contractor will be required to complete and return a Recycled-Content Certification form (www.calrecycle.ca.gov/contracts/forms) upon request by the state ordering agency.

PUBLIC WORKS (INSTALLATION SERVICES ONLY)

A public works contract is defined as an agreement for "the erection, construction, alteration, repair, or improvement of any public structure, building, road, or other public improvement of any kind" in accordance with the Public Contract Code (PCC) § 1101. State agencies planning these types of projects need to review the SCM, Volume 1, Chapters 10 and 11 for applicable guidelines and regulations. Also, the Department of General Services (DGS), Real Estate Services Division (RESA) can be contacted at (916) 376-1748, if you have questions about these types of transactions.

Agency CMAS purchase orders may allow for public works installation only when it is incidental to the total purchase order amount.

Agencies are to ensure that the applicable laws and codes pertaining to the contractor and sub-contractor licensing, prevailing wage rates, bonding, labor code requirements, etc., are adhered to by the prime contractor as well as any sub-contractor during performance under the CMAS purchase order.

The bond amount for public works is not less than one hundred percent (100%) of the purchase order price.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

NOTE: In accordance with Labor Code (LC) § 1773.2, the ordering agency is responsible for determining the appropriate craft, classification or type of worker needed for any contract for public works. Also, the agency is to specify the applicable prevailing wage rates as determined by the Director of the Department of Industrial Relations (DIR). In lieu of specifying the prevailing wage rates, the agency may include a statement on the order that the prevailing wage rates are on file at the agency's office, and will be made available upon request. The prevailing wage rates are available from the DIR at www.dir.ca.gov (select Statistics & Research) or (415) 703-4774.

Bonds: For guidelines, see CMAS, General Terms and Conditions, Public Works Requirements.

State Contractor's License: Public works services can be obtained through CMAS only if incidental to the overall purchase order. If incidental public works services are included in the purchase order, prior to issuing the order agencies should contact the State Contractor's License Board (www.cslb.ca.gov) at 1-800-321-2752 or at www.cslb.ca.gov to verify that the Contractor's License shown below is still active and in good standing.

AstroTurf Corporation's California Contractor's License number is 1036156. This is a Class C-61/D12 & C12 license that is valid through 2/29/2020.

Project bid specifications must require that facility-specific EPDs are compliant to ISO 14025 and applicable Product Category Rules located on the Department of General Services (DGS) Buy Clean California Act website.

Awarding authorities must report the following information to DGS upon request:

- Awarded contract information
- Eligible materials used in project(s)
- EPDs submitted by successful bidder(s)

The Department of General Services Buy Clean California Act website is located at www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/Buy-Clean-California-Act.

CONSULTING OR PERSONAL SERVICES

To ensure sufficient expertise for all consulting or personal services, prior to issuing an order, the agency is required to review the resumes of all personnel the CMAS contractor intends to use to fulfill the order. Each agency is responsible for verifying that contractor personnel meet any education or experience requirements listed in the base contract.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

Each order should contain, as a minimum, a description of the task, a statement of the contractor's responsibilities, completion criteria, a list of deliverable items (if any), the estimated starting date, the scheduled completion date, and a fixed cost for each task.

The aggregate of the fixed costs for all tasks constitutes the fixed price ceiling for all tasks described.

1. Progress Payments

For an IT service CMAS, see the CMAS IT Terms and Conditions, Provision #75, CMAS Progress Payments & Risk Assessment.

For a Non-IT service CMAS, see the CMAS Non-IT Services Terms and Conditions, Provision #41, Progress Payments.

2. Outsourcing Services

Careful analysis must be given by State agencies to using contracted personnel rather than using civil service positions within State government.

Government Code (GC) § 19130(c) requires that all persons who provide services to the State under conditions that constitute an employment relationship shall, unless exempted by Article VII (Section 4) of the California Constitution, be retained under an appropriate civil service appointment.

Issuing a CMAS purchase order for services to an independent contractor is permissible when any of the following conditions set forth in Government Code (GC) §19130(b) can be met:

- Exempt under Constitution

- New State function and legislative authority
- Service not available; highly specialized or
- Technical
- Incidental to the purchase or lease
- Conflict of interest; need unbiased findings
- Emergency appointment
- Private counsel, with Attorney General (AG) approval and Governor's Office, if applicable
- Contractor will provide deliverables that are not feasible for the State to provide
- Training when civil service is not available
- Urgent, temporary, or occasional services when civil service delay would frustrate the purpose (see Option 2 below)

When justified as outlined above, personal services must fall under one of the two following options:

Option 1. CMAS orders for personal services such as project management, independent verification and validation, systems analysis and design, and miscellaneous services are not limited to the number of hours or months per year that a consultant can work if the services contracted for are not available within civil service, cannot be performed satisfactorily by civil service employees, or are of such a highly specialized or technical nature that the necessary expert knowledge, experience, and ability are not available through the civil service system (Government Code (GC) § 19130.b (3)).

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

Option 2. CMAS personal services orders for programmers, systems analysts, and technical specialists which are of an urgent, temporary, or occasional nature, such that hiring additional civil service positions is not feasible, are limited to nine months (1548 hours) per consultant within a twelve consecutive month period (Government Code (GC) § 19130.b (10)/California State Constitution, Article VII, Section 5).

This provision is per agency and is inclusive of orders issued on your behalf by another agency. Contractors must wait three months from CMAS order termination/expiration before submitting the candidate's resume for work at the same agency/department.

For both options above, the contractor may conduct training courses for which appropriately qualified civil service instructors are not available, provided that permanent instructor positions in academies or similar settings shall be filled through civil service appointment (Government Code (GC) § 19130.b (9)).

For each order, the agency must prepare and retain in their file a written justification that includes specific and detailed factual information that demonstrates that the contract meets one or more of the conditions set forth in Government Code (GC) § 19130(b).

3. State Personnel Board Requirements

State Personnel Board (SPB) approval is required for a purchase order based on cost savings to the State as justification for not using civil service personnel.

4. Statement of Work

A Statement of Work (SOW) must be prepared as applicable for each purchase order. Information regarding the preparation of a SOW is available at the [CMAS website](http://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules), select "Statement of Work Information", Agencies are strongly encouraged to use this information when developing SOW requirements that will accompany the Request for Offer and the resulting purchase order.

5. Follow-on Contracts Are Prohibited

No person, firm, or subsidiary thereof who has been awarded a purchase order for consulting services, or a purchase order that includes a consulting component, may be awarded a purchase order for the provision of services, delivery of goods or supplies, or any other related action which is required, suggested, or otherwise deemed appropriate as an end product of the purchase order (Public Contract Code (PCC) § 10365.5).

Therefore, any consultant who develops a program study or provides formal recommendations is precluded from providing any work recommended in the program study or the formal recommendation.

6. Approval of CMAS Orders for Non-IT Services

State agencies (not local governments) must send all CMAS orders for non-Information Technology services exceeding \$50,000 to DGS/PD-CMAS for approval.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

Also, State agencies entering into more than one CMAS contract for non-Information Technology consulting services with the same CMAS contractor within a 12-month period for an aggregate amount of \$12,500 or more must have each contract approved by the DGS/PD-CMAS in compliance with Public Contract Code (PCC) § 10371.

For either of the above situations, the following documents must be sent to DGS, PD-CMAS for review and approval prior to sending the order to the CMAS contractor:

- Signed purchase order document
- Signed Summary Agreement (Standard 215)
- Copy of Request for Offer (RFO)
- Listing of all CMAS contractors solicited
- Copies of all supplier's responses to the RFO
- Complete copy of awarded supplier's CMAS
- Copy of assessment and selection documents
- Certification for public relations services valued at \$100,000 or more (SAM MM 12-07)

Send the above documents to:

Department of General Services
Procurement Division
707 Third Street, 2nd Floor, MS 2-202
West Sacramento, CA 95605
Attn: CMAS Unit - PO Approval

Contractors must not accept purchase orders for non-IT services that exceed \$50,000 unless they include the required approval stamp from DGS.

NOT SPECIFICALLY PRICED (NSP) ITEMS

The only time that open market/incidental, non-schedule items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision.

CMAS contractors must be authorized providers of the hardware, software and/or services they offer under the Not Specifically Priced (NSP) Items provision.

Agency and CMAS contractor use of the NSP provision is subject to the following requirements:

1. Purchase orders containing only NSP items are prohibited.
2. A purchase order containing NSP items may be issued only if it results in the lowest overall alternative to the State.
3. NSP items shall be clearly identified in the order. Any product or service already specifically priced and included in the base contract may not be identified as an NSP item.
4. NSP Installation Services: The CMAS contractor is fully responsible for all installation services performed under the CMAS. Product installations must be performed by manufacturer authorized personnel and meet manufacturer documented specifications. The prime contractor, as well as any subcontractors, must hold any certifications and/or licenses required for the project. The total dollar value of all installation services included in the purchase order cannot exceed the dollar value of the products included in the purchase order, nor can they exceed the NSP Maximum Order Limitation.

5. Maximum Order Limitation: For orders \$250,000, or less, the total dollar value of all NSP items included in a purchase order shall not exceed \$5,000. For orders exceeding \$250,000, and at the option of the contractor, the total dollar value of all NSP items in a purchase order shall not exceed 5% of the total cost of the order, or \$25,000 whichever is lower.
6. An NSP item included in an order issued against a CMAS is subject to all of the terms and conditions set forth in the contract.
7. Trade-ins, upgrades, involving the swapping of boards, are permissible, where the contract makes specific provisions for this action. In those instances where it is permitted, the purchase order must include the replacement item and a notation that the purchase involves the swapping of a board.
2. Supply type items, except for the minimum amount necessary to provide initial support to the priced items included in the same order.
3. Items that do not meet the Productive Use Requirements for information technology products, per the SCM, Volume 3, Chapter 2, Section 2.B6.2 and SCM, Volume FISCAL, Chapter 2, Section 2.E3.2.
4. Any other item or class of items specifically excluded from the scope of this CMAS.
5. Public Works components NOT incidental to the total purchase order amount.
6. Products or services the CMAS contractor is NOT factory authorized or otherwise certified or trained to provide.
7. Follow-on consultant services that were previously recommended or suggested by the same CMAS contractor.

The following NSP items ARE SPECIFICALLY EXCLUDED from any order issued under this CMAS:

1. Items not intended for use in directly supporting the priced items included in the same order. An NSP item must be subordinate to the specifically priced item that it is supporting. For example, a cable, which is not otherwise specifically priced in the base contract, is subordinate to a specifically priced printer or facsimile machine, and is eligible to be an NSP item subject to that cable meeting the remaining NSP requirements. However, a printer or facsimile machine, which is not otherwise specifically priced in the base contract, is not subordinate to a specifically priced cable, and is not eligible to be an NSP item.

The CMAS contractor is required to reject purchase orders containing NSP items that do not conform to the above requirements. The CMAS contractor will promptly notify the agency issuing the non-conforming order of its non-acceptance and the reasons for its non-acceptance.

STATE AND LOCAL GOVERNMENTS CAN USE CMAS

State and local government agency use of CMAS is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges empowered to expend public funds. While the State makes this CMAS available, each local government agency should make its own determination whether the CMAS program is consistent with their procurement policies and regulations.

UPDATES AND/OR CHANGES

A CMAS amendment is not required for updates and/or changes once the update and/or change becomes effective for the federal GSA schedule, except as follows:

- A CMAS amendment is required when the CMAS is based on specific products and/or services from another contractor's multiple award contract and the contractor wants to add a new manufacturer's products and/or services.
- A CMAS amendment is required for new federal contract terms and conditions that constitute a material difference from existing contract terms and conditions. A material change has a potentially significant effect on the delivery, quantity or quality of items provided, the amount paid to the contractor or on the cost to the State.

A CMAS amendment is required to update and/or change terms and conditions and/or products and services based on a non-federal GSA multiple award contract.

SELF-DELETING FEDERAL GSA TERMS AND CONDITIONS

Instructions, or terms and conditions that appear in the Special Items or other provisions of the federal GSA and apply to the purchase, license, or rental (as applicable) of products or services by the US Government in the United States, and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

Federal regulations and standards, such as Federal Acquisition Regulation (FAR), Federal Information Resources Management Regulation (FIRMR), Federal Information Processing Standards (FIPS), General Services Administration Regulation (GSAR), or Federal Installment Payment Agreement (FIPA) shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

The CMAS Terms and Conditions takes precedence if there is a conflict between the terms and conditions of the contractor's federal GSA, (or other multiple award contract), packaging, invoices, catalogs, brochures, technical data sheets or other documents (see CMAS Terms and Conditions, CONFLICT OF TERMS).

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. THE USE OF CMAS DOES NOT REDUCE OR RELIEVE STATE AGENCIES OF THEIR RESPONSIBILITY TO MEET STATEWIDE REQUIREMENTS REGARDING CONTRACTING OR THE PROCUREMENT OF GOODS OR SERVICES. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS agreements. Nonetheless, there is no guarantee that every possible requirement that pertains to all the different and unique State processes has been included.

PAYMENTS AND INVOICES

1. Payment Terms

Payment terms for this CMAS are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code (GC) § 927 et. seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (1) the date of acceptance of goods or performance of services; or (2) receipt of an undisputed invoice, whichever is later.

2. Payee Data Record (Standard 204)

State Agencies not transacting in FISCAL, must obtain a copy of the Payee Data Record (Standard 204) in order to process payments. State Ordering Agencies forward a copy of the Standard 204 to their accounting office(s). Without the Standard 204, payment may be unnecessarily delayed. State Agencies should contact the CMAS contractor for copies of the Payee Data Record.

3. DGS Administrative and Incentive Fees

Orders from State Agencies:

The Department of General Services (DGS) will bill each State agency directly an administrative fee for use of CMAS. The administrative fee should NOT be included in the order total, nor remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase orders issued to California certified small businesses.

See the current administrative fees in the [DGS Price Book](http://www.dgs.ca.gov/OFS/Price-Book) (www.dgs.ca.gov/OFS/Price-Book).

Orders from Local Government Agencies:

CMAS contractors, who are not California certified small businesses, are required to remit to the DGS an incentive fee equal to **1.25%** of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS. The incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this CMAS entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

4. Contractor Invoices

Unless otherwise stipulated, the CMAS contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- CMAS number
- Agency purchase order number
- Agency Bill Code (State Only)
- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS, purchase order and invoice must match or the State Controller's Office will not approve payment.

5. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, e.g., between specific departments and certain types of non-profit organizations, or when paying another government agency (Government Code (GC) § 11256 – 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription and may be paid in advance if a provision addressing payment in advance is included in the purchase order.

Software warranty upgrades and extensions may also be paid for in advance, one time.

6. Credit Card

AstroTurf Corporation does not accept the State of California credit card (CAL-Card).

7. Lease/Purchase Analysis

State agencies must complete a Lease/Purchase Analysis (LPA) to determine best value when contemplating a lease/rental, and retain a copy for future audit purposes (State Administrative Manual (SAM) § 3710).

For short-term rental equipment, the lease/purchase analysis must be approved by the Department of General Services, Office of Legal Services.

The lease/purchase analysis for all other purchases must be approved by the Department of General Services, GS SMart State Financial Marketplace. Buyers may contact the GS SMart™ Administrator, Patrick Mullen by phone at (916) 375-4617 or via e-mail at patrick.mullen@dgs.ca.gov for further information.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

8. Leasing

The State reserves the right to select the form of payment for all procurements, be it either an outright purchase with payment rendered directly by the State, or a financing/lease-purchase or operating lease via the State Financial Marketplace (GS SMart and/or Lease SMart). If payment is via the financial marketplace, the Supplier will invoice the State and the State will approve the invoice and the selected Lender/Lessor for all product listed on the State's procurement document will pay the supplier on behalf of the State.

Buyers may contact the GS SMart™ Administrator, Patrick Mullen by phone at (916) 375-4617 or via e-mail at patrick.mullen@dgs.ca.gov for further information.

9. Maintenance Tax

The California Department of Tax and Fee Administration has ruled that in accordance with Section 1546 of the Sales and Use Tax Regulations of the Business Taxes Law Guide, whenever optional maintenance contracts include consumable supplies, such supplies are subject to sales tax.

Generally, the State has two options:

1. For agreements that provide for only maintenance services (i.e., the furnishing of labor and parts necessary to maintain equipment), the charges for the provision of maintenance services are not taxable.

2. For agreements that provide for both maintenance services and consumable supply items (i.e., toner, developer, and staples, for example), the provision of the consumable supplies is considered a taxable sale of tangible personal property. Therefore, State agencies awarding optional maintenance contracts are responsible for paying the applicable sales tax on the consumable supplies used during the performance period of the maintenance contract.

The Contractor will be required to itemize the consumables being taxed for State accounting purposes.

CONTRACTOR QUARTERLY REPORT PROCESS

ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

For the full instructions on completing and submitting CMAS Quarterly Business Activity Reports, and a soft copy of a blank quarterly report form, go to the CMAS website (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) and then select "File a CMAS Quarterly Report".

- New CMAS agreements, renewals, extensions, and amendments will be approved only if the CMAS contractor has submitted all required quarterly reports and incentive fees.

CMAS Quarterly Business Activity Reports are due in the CMAS Unit within two weeks after the end of each quarter as shown below:

Important things to remember regarding CMAS Quarterly Business Activity Reports (referred to as "reports" below):

Quarter 1	Jan 1 to Mar 31	Due Apr 15
Quarter 2	Apr 1 to Jun 30	Due Jul 15
Quarter 3	Jul 1 to Sep 30	Due Oct 15
Quarter 4	Oct 1 to Dec 31	Due Jan 15

- A report is required for each CMAS, each quarter, even when no new purchase orders are received in the quarter.
- A separate report is required for each CMAS.
- **Each purchase order must be reported only once in the quarter identified by the purchase order date, regardless of when the services were performed, the products were delivered, the invoice was sent, or the payment was received.**
- Purchase orders from State and local government agencies must be separated on the report, as shown in the instructions.
- CMAS contractors must report the sales activity for all resellers listed on their CMAS.
- Any report that does not follow the required format or excludes required information will be deemed incomplete and returned to the CMAS contractor for corrections.
- Taxes and freight must not be included in the report.
- CMAS contractors must attach to their quarterly report a check covering the required incentive fee for all CMAS sales to local government agencies (see more information below).

CONTRACTOR QUARTERLY INCENTIVE FEES

CMAS contractors who are not California certified small businesses must remit to DGS an incentive fee equal to **1.25%** of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS agreement(s). This incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

CMAS contractors cannot charge local government agencies an additional **1.25%** charge on a separate line item to cover the incentive fee. The CMAS contractor must include the **1.25%** incentive fee in the price of the products or services offered, and the line item prices must not exceed the applicable base contract prices.

A local government agency is any city, county, district, or other local governmental body, including the California State University (CSU) and University of California (UC) systems, K-12 public schools and community colleges empowered to expend public funds.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this CMAS entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

OBTAINING COPY OF ORIGINAL CMAS AND AMENDMENTS

A copy of a CMAS and amendments, if any, can be obtained at Cal eProcure (caleprocure.ca.gov). A complete CMAS consists of the following:

- CMAS cover pages (which includes the signature page, ordering instructions and special provisions, and any attachments or exhibits as prepared by the CMAS Unit)
- CMAS Terms and Conditions.
- Federal GSA (or Non-GSA) terms and conditions
- Product/service listing and prices
- Amendments, if applicable.

It is important for the agency to confirm that the required products, services, and prices are included in the CMAS and are at or below base contract rates. To streamline substantiation that the needed items are in the base contract, the agencies should ask the CMAS contractor to identify the specific pages from the base contract that include the required products, services, and prices. Agencies should save these pages for their file documentation.

CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED

When a subcontractor ultimately provides all of the products or performs all of the services that a CMAS contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature, and does not provide a Commercially Useful Function (CUF). It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

AGENCY RESPONSIBILITY

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with Government Code (GC) § 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, the DGS Office of Legal Services is available to provide services on a contractual basis.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
ASTROTURF CORPORATION
CMAS NO. 4-20-00-0130A**

CONFLICT OF INTEREST

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the CMAS Terms and Conditions, Conflict of Interest, for more information.

FEDERAL DEBARMENT

When federal funds are being expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the CMAS contractor before the purchase order is issued.

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

CONTRACTOR TRAVEL

The Travel provision is not applicable to this CMAS.

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

ACCEPTANCE TESTING CRITERIA

If the agency wants to include acceptance testing for all newly installed technology systems, and individual equipment, and machines which are added or field modified (modification of a machine from one model to another) after a successful performance period, the test criteria must be included in the purchase order to be applicable.
