#### **REQUIREMENTS**

**Capistrano Unified School District Bid No. 2122-10 Frozen, Refrigerated, Processed Commodity, Dry Food and Beverage Products and Services Information**

**Quote the percentage markup above landed costs for the following product categories delivered to District locations as indicated on delivery schedule: Using a landed cost of \$20.00 per Package/Loaf, please fully explain your procedure for calculating selling price. What would your final selling price be? \_\_\_\_\_% per case**

Gold Star Foods, Inc. (Gold Star) uses our landed costs as the basis for calculating all fixed fee delivery prices. Our landed cost is determined as either:

- (a) The total amount paid for by Gold Star on the manufacturers invoice when the foods are delivered directly to Gold Star's Ontario facility by the manufacturer or designated logistics company, or
- (b) The total amount paid for by Gold Star on the manufacturers invoice plus the freight cost incurred by Gold Star when our driver/truck pick-up the foods at the manufacturers' facility or their secondary cold storage facility

Our pricing model is based on distribution for the district in this RFP considering additional multi-category purchases which provides the lowest cost for distribution. To determine fixed fee pricing, we consider all aspects of our costs including:

- Fair wages and benefits for all Warehouse Personnel, Truck Driver(s), and Office Staff
- Costs of transport (Trucks, Insurance, Fuel, Maintenance)
- Warehouse and facility costs
- Technology
- Quality Assurance and Food Safety Systems/Certifications
- Vendor selection, vetting, management, and oversight

Example for calculation: Applesauce 6/#10 \$20.00 Cost  $\div .87 = \$22.98$  or \$2.98 per case markup. Markup will vary on manufacturer, type of product, and other elements impacting cost of sourcing, handling, etc.
