25. **VELOCITY REPORT** - The District reserves the right to request velocity reports for any items ordered throughout the contract. Velocity reports will be delivered via email to better assist for inventory tracking purposes.

26. **APPLICABLE ‘BUY AMERICAN’ PROVISIONS** - The Buy American provisions are found in the regulations of the National School Lunch Program (NSLP) at 7 CFR 210.21(d) and the School Breakfast Program (SBP) at 7 CFR 220.16 (d). Section 104(d) of the William F. Goodling Child Nutrition Reauthorization 1998 (Public Law 05-336) added a new provision, Section (12) of the NSLA (42USC760(n), requiring School Food Authorities to purchase domestically grown and processed foods, to the maximum extent practicable. The Buy American provisions of Public Law (PL 100-237) require participants to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the NSLP and SBP to include the CACFP Program. Two situations that may warrant a waiver to permit purchases of foreign food products are: 1) The product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of satisfactory quality 2) Competitive bids reveal the costs of a U.S. product are significantly higher than the foreign product. A domestic commodity or product is produced and processed in the United States substantially using agricultural commodities produced in the United States. “Substantially using” means over 51 percent of the final processed product consists of agricultural commodities grown domestically. This includes foods sold to students as a la carte food items. Actions that districts/sponsors can take to comply with the Buy American requirements are:

- Including the Buy American Provision requirement in food bid specifications, IFBs, RFPs, contracts, purchase orders, and other procurement documents issued
- Monitoring the contract to ensure that the domestic products solicited are the ones received
- Requiring suppliers to provide certification of domestic origin for all food products, from bids and proposals through receipts and invoices
- Conducting monthly reviews on storage facilities to ensure the domestic products received are the ones solicited for and awarded

It is therefore required that bidders responding to this Request for Proposal indicate whether products offered on this proposal meet the definition of “domestic commodity or product” as stated above. Indication shall be made on the proposal price sheet as part of the response to this proposal.

The successful bidder shall provide documented proof of compliance with this provision at the request of the District.

The “Buy American” provision of Public Law (P.L.) 105-336 allows for an exception when the recipient agency, Capistrano Unified School District, determines that the following instances apply to non-domestic produced products:

- The product is not produced or manufactured in the United States in sufficient and reasonably available quantities of a satisfactory quality.
- Competitive bids reveal the costs of a United States product are significantly higher than the nondomestic product as determined by CUSD over 25 percent higher.
- The quality of the domestic agricultural food product is inferior to the quality of the agricultural food products grown, packed, or produced non-domestically.

The District reserves the right to purchase non-domestic grown or manufactured food products if the cost of the U.S.-produced item that contains 51% or more domestically grown commodities is ten percent (10%) or more in price than the

non-domestic product.

27. **CONTRACTING WITH SMALL BUSINESSES** - Per CFR 200.321 the District will provide consideration for contracting with a bidder that falls under the definition of small business provided in the Health and Safety Code 23395.20: ““Small business” means an independently owned and operated business, that is not dominant in its field of operation, that, together with affiliates, has 100 or fewer employees, and that has average annual gross receipts of ten million dollars (\$10,000,000) or less over the past three years.”
28. **CONTRACTING WITH MINORITY OWNED BUSINESS** - Per CFR 200.321 the District will provide consideration for contracting with a bidder that is a minority or women owned business. CFR 4.62 defines a minority or women owned business as “...at least 51 percent unconditionally-owned by one or more members of a minority group or by one or more women...”
29. **INGREDIENTS** - All Fresh Bakery products shall meet Food and Nutrition standards set by the Department. The District will give consideration to proposers avoiding ingredients included on the Eat Real Undesirable Ingredients List [Appendix A]. Additionally, consideration will be given to proposers who are able to provide products with limited sugar content (less than 12g per serving).
30. **TASTE TESTING** - District will require/request a sample of one (1) dozen (12) of each item indicated in the Bid Item List Attachment “19” for taste testing to evaluate for taste, texture, overall quality of product, appeal, consistency and nutritional value. Bidders must deliver samples to the Capistrano Unified School District, Food and Nutrition Services Department, 32972 Calle Perfecto, San Juan Capistrano, CA 92675.
31. **FUEL CHARGES** - No fuel surcharges will be accepted under this contract, and the addition of such charges shall not be permitted during the period of the term of this contract.
32. **PIGGYBACK CLAUSE** – For the term of the Contract and any mutually agreed extensions pursuant to this Request for Proposals, at the option of the vendor, other school districts within the State of California may purchase identical products upon the same terms and conditions pursuant to Sections 20118 (K-12) of the Public Contract Code. 34. **LIMITATIONS** - The District shall not be obligated to accept the lowest-priced RFP but will be evaluating proposals to award to the responsible and responsive bidder(s). The District reserves the right in its absolute discretion to accept submissions, or any part of proposals, as deemed necessary for the District's best interest. The District may consider the proposer's performance concerning any recent contract(s) with other school districts. 35. **AWARD** - The District reserves the right to reject proposals without explanation or recourse and negotiate with companies submitting bids. The District further reserves the right to contract the work with whomever and in whatever manner the District decides to abandon the work entirely and to waive any informality or non-substantive irregularity as the interest of the District may require. A proposal submitted in response to this RFP will be administered in the following manner:

This contract will be awarded to single or multiple responsive and responsible bidders who meet RFP terms and conditions. After the opening of the proposals, an RFP review committee representing the District will score the proposals based on the evaluation criteria as stated in the RFP document.

The RFP committee shall have the right to inspect the distribution facility or facilities and equipment utilized by the vendor. The committee will make a recommendation to the Board of Trustees.

The Director of Food and Nutrition Services will be the sole judge of merit and not necessarily accept the lowest price offered. The Capistrano Unified School District Board of Education will formally award the award.

Any grounds not explicitly outlined in the Protest are waived. The party filing the Protest must concurrently transmit a copy of the Protest to the proposer whose proposal is being challenged under these procedures.
- C. **Resolution of Controversy:** Once the Protest is received, the affected proposer will be notified of the protest and the evidence presented. If appropriate, the affected proposer will be allowed to rebut the evidence and present evidence that the proposer should be allowed to perform the Work. The District will issue a written decision within thirty- (30) business days of receipt of the Protest unless factors beyond the District's reasonable control prevent such resolution. The District shall not be required to hold an administrative hearing to consider the Protest but may do so at the option of the District or if otherwise legally required. The Decision on the Protest will state the reasons for the actions taken by the District and will be copied to all parties involved.

The decision concerning the Appeal will be final and not subject to any further Appeals.

E-mailed notice with a written confirmation sent by First Class Mail shall be sufficient to constitute written notice. If there is no written response to a written notice shortening time, the District may proceed with the award.

- G. **Waiver:** The procedures and time limits outlined in this Protest procedure are mandatory and are the proposers' sole and exclusive remedy in the event of a Protest. The proposer's failure to comply with this or any Protest Procedure shall constitute a waiver of any right to pursue a Protest or in any way challenge the award, including but not limited to any challenge under the California Public Contract Code, filing a claim under to the California Government Code, or filing of any other legal proceedings.

The bidder must know that the District's Fresh Baked Goods RFP includes not only the purchase of products; but also service and delivery expectations that must be agreed to before entering into this agreement. Vendors shall fully inform themselves as to all existing conditions and limitations. No allowance will be made because of a lack of such examination, inquiry, or knowledge.

General Instructions: RFPs are requested for furnishing Fresh Bakery Goods for the period of (1) year and the possibility of two (2), one (1) year extensions. This RFP will be for contracting from September 1, 2024, - June 30, 2024.

1. Failure to meet these specifications shall entitle the District to cancel the contract with a 30-day notice.
2. Fresh baked goods specified will be purchased from the successful bidder(s) selected. Due to school demand, the District reserves the right to add or remove products as necessary. The price of such items shall be negotiated between the District and the Distributor using a similar markup percentage as all other existing/awarded products on the price request and shall be subject to the terms and conditions of this Agreement.
3. Unless otherwise specified, all products must follow the specifications indicated. In the event of product quality failure, including but not limited to off flavor, evidence of temperature abuse, character defects, non-uniformity of size, damage, mold, excessive moisture, evidence of freezing, or otherwise unusable product factors, provisions must be made for pick up, exchange and issuance of appropriate credit. The distributor must guarantee a 90% fill rate for all District orders.
9. Quarterly, the successful bidder shall submit a complete listing with usages of all products purchased by the District.

The Distributor must provide the specified product or an acceptable substitute, as determined by the District. If, because of failure to deliver the selected product in a timely manner, the service of meals fails to contain the required components of a reimbursable meal, Distributor shall be required to reimburse the District for the total value of all of the identified meals, as determined by the National School Lunch Program. CERTIFICATION AND DISCLOSURE STATEMENTS - Attachment "12" TO BE SUBMITTED WITH PROPOSAL

Following is an explanation of the submission requirements of the ***Suspension and Debarment Certification Statement*** and the ***Certification Regarding Lobbying*** by School Food Authorities (SFA) and Food Service Management/Consulting Companies.

Beginning with the 1998/99 school year, instructions to comply with procurement requirements by completion of these certifications will be included in the annual renewal of School Nutrition Programs.

The applicability of this information begins with the 1998/99 school year and is for SFAs that meet one of the following criteria:

- The SFA's estimated annual federal child nutrition reimbursement will exceed \$100,000
- The SFA's annual contract with a vendor exceeds \$100,000.
- The SFA utilizes a Food Service Management or Consulting Company and the annual contract exceeds \$100,000.

Suspension and Debarment Certification

This certification is required to be completed by the contractor each time an SFA renews or extends an existing contract that exceeds \$100,000. The certification is also required when an SFA puts out bids for goods and services

that will exceed \$100,000. In these instances, the SFA must obtain a completed ***Suspension and Debarment Certification*** from either the potential vendor or existing contractor before any transactions can occur between the sponsor and the vendor or contractor (7 CFR 3017.110). This certification is required as part of the original bid, contract renewal, or contract extension to assure the SFA that the vendor or any of its key employees have not been

proposed for debarment, debarred, or suspended by a Federal agency. While *this certification is required for all contracts in excess of \$100,000*, it is recommended that they be routinely requested under all procurements. The completed certification is to be attached to the signed contract and maintained on file by the SFA. **Do not submit the certification to the California Department of Education.**

Certification Regarding Lobbying

SFAs that receive in excess of \$100,000 in annual federal meal reimbursement **must** annually complete and **submit**

this certification statement to the California Department of Education (CDE), Child Nutrition and Food Distribution

Division (CNFFD). The statement is part of the annual renewal of the SFA's agreement with the California Department of Education, Child Nutrition and Food Distribution Division.

In addition, when SFAs put out bids for goods and services or renew/extend existing contracts that exceed the \$100,000 threshold, they are required to obtain a completed ***Certification Regarding Lobbying*** from either the potential vendors and/or existing contractors before any transactions can occur between the SFA and the vendor contractor (7 CFR 3018.110). This certification is required as part of the original bid, contract renewal, or contract extension and is not submitted to the CDE.

Also enclosed is the **Disclosure of Lobbying Activities** form. This is required to be completed if the potential or existing contractor, using other than federal funds, has paid or will pay for lobbying activities in connection with the school nutrition program agreement (Item 2 of the ***Certification Regarding Lobbying*** statement).

Applicable to Both Certification Statements

- Federal law prohibits SFAs from circumventing the \$100,000 threshold by entering into multiple contracts; each of which do not equal or exceed \$100,000, but the aggregate amount of all the contracts will equal or exceed \$100,000.
- Vendors must submit completed certifications to the SFA as part of the original bid, contract renewal, or contract extension. If completed certifications are not included, the original bid is considered nonresponsive, and the contract renewal or extension is incomplete. In order for the SFA to consider the original bid or renew/extend the original contract, the vendors must have submitted current certifications to the SFA.

SFAs with Food Service Management or Consulting Contracts

SFAs utilizing food service management or consulting companies **must** include both certification statements in all Requests for Proposals (RFP). SFAs must retain the certifications with its documentation of new contracts and contract amendments/renewals submitted to the CDE, CNFDD, for approval. The food service management or consulting company must annually sign and submit to the SFA both the ***Suspension and Debarment Certification*** and the ***Certification Regarding Lobbying***. If receiving more than \$100,000 in federal reimbursement, the SFA is required to sign and submit the ***Certification Regarding Lobbying*** to the CDE, CNFDD.

Summary

- ***Suspension and Debarment Certification***

1. The SFA must include this certification in all RFPs that result in an annual contract in excess of \$100,000.
2. A contractor is required to sign this certification when a contract or renewal contract with an SFA exceeds \$100,000 annually in federal funds.
3. The SFA retains certification signed by the contractor with executed contract and maintains it on file.

- ***Certification Regarding Lobbying***

1. SFAs receiving in excess of \$100,000 in annual federal reimbursement must sign and submit this certification during the annual renewal of the School Nutrition Programs participation.
2. SFAs must obtain this completed certification from any potential or existing contractor as part of any original contract or contract renewal/extension that exceeds the annual expenditure of \$100,000 in federal funds. **Retain** the certifications with bid documents.
3. The **Disclosure of Lobbying Activities** form may need to be completed if any payment has been made or will be made to any person or lobbying entity. (Item2 of ***Certification Regarding Lobbying***.)
